

Celebrating Excellence: WACA Honors Construction Industry's Finest

WACA unveiled a spectacular line up of award-winning projects at the 14th annual Construction Excellence Awards (CEA) and Excellence in Construction Awards (ESA) ceremony. This remarkable awards platform recognizes the exceptional achievements of contractors, suppliers and manufacturers who have left an indelible mark on the construction industry in Northern California. The award-winning companies and projects represent the pinnacle of construction achievement across various categories, with each project telling a unique story of excellence and dedication.
