

2021 Construction Excellence Award Winners

Announcing Northern California's Top Wall and Ceiling Construction Projects

The Wall And Ceiling Alliance (WACA) is proud to celebrate this year's extraordinary contractors, suppliers, and manufacturers for their outstanding merit and achievement in construction. For the past several years, WACA has held its Construction Excellence Awards (CEA) and Excellence in Safety Awards (ESA) honoring wall and ceiling contractors performing exceptional craftsmanship and safety practices in their respective fields in Northern California. Supporting suppliers and manufacturers are distinguished for the efforts involved with the project. The projects and companies listed represent the pinnacle of construction achievement in the respective categories.
